Careers and Progression Policy

Contents:

[Statement of intent](#)

1. [Legal framework](#)
2. [Roles and responsibilities](#)
3. [Developing a stable careers programme](#)
4. [Using labour market information](#)
5. [Addressing the needs of pupils](#)
6. [Supporting pupils with SEND](#)
7. [Providing work experience](#)
8. [Enabling encounters with further education \(FE\) and higher education \(HE\)](#)
9. [Providing personal guidance](#)
10. [Sharing information](#)
11. [Compliance with legal duties and statutory guidance](#)
12. [Monitoring and review](#)

Appendices

- a) [Careers Survey – Plans for Your Future](#)
- a) [Destinations Survey – Plans for Your Future](#)
- a) [Careers Audit](#)

Statement of intent

The main aims of careers provision at Soundskool are to:

- Prepare pupils for life post-education.
- Develop an understanding of different career paths and challenge stereotypes.
- Develop an understanding of the differences between college and work.
- Inspire pupils to chase and achieve their dreams.
- Help pupils to access information on the full range of higher education, training and progression opportunities.
- Support pupils after leaving college.
- Offer targeted support for vulnerable and disadvantaged young people.
- Instil a healthy attitude towards work.

1. Legal framework

This policy has due regard to all relevant legislation and statutory guidance including, but not limited to, the following:

- Education Act 1997
- Education and Skills Act 2008
- Apprenticeships, Skills, Children and Learning Act 2009
- Equality Act 2010
- Children and Families Act 2014
- Technical and Further Education Act 2017
- The College Information (England) (Amendment) Regulations 2018
- DfE (2023) 'Careers guidance and access for education and training providers'

This policy operates in conjunction with the following college policies:

- Complaints Procedures Policy
- Provider Access Policy Statement
- Data Protection Policy
- Records Management Policy
- Child Protection and Safeguarding Policy

2. Roles and responsibilities

The Board of Directors is responsible for:

- Ensuring that all registered pupils are provided with independent careers guidance from Year 12 to Year 13.
- Ensuring that arrangements are in place to allow a range of education and training providers to access all pupils and inform them about approved technical education qualifications and apprenticeships. A policy statement will set out these arrangements.
- Ensuring that the independent careers guidance is presented in an impartial manner, showing no bias or favouritism towards a particular institution, education or work option.
- Ensuring that the guidance includes information on the range of education or training options, including apprenticeships, technical education, higher education and employment routes.
- Ensuring that the guidance that is provided promotes the best interests of pupils.
- Ensuring this policy does not discriminate on any grounds.

- Handling complaints regarding this policy as outlined in the college's Complaints Procedures Policy.
- Providing clear advice and guidance to the Head of College on which they can base a strategy for careers education and guidance which meets the college's legal requirements.

The careers leader is responsible for:

- Managing the provision of careers information.
- Taking responsibility for the development, management and reporting of the college's careers programme.
- Planning careers activities, managing the careers budget and, where necessary, and managing and coordinating other staff involved in the delivery of careers guidance.
- Establishing and developing links with employers, education and training providers, and careers organisations.
- Liaising with various parties, e.g. the Head of College and careers adviser implement and maintain effective careers guidance.
- Providing pupils with effective careers guidance and supporting social mobility by improving opportunities for all young people.
- Supporting teachers of careers education and tutors providing initial information and advice.
- Monitoring teaching and learning in careers education, and the access to and take up of career guidance.
- Advising senior leadership on policy, strategy and resources for careers education, information, advice and guidance (CEIAG).
- Preparing and implementing a development plan for CEIAG.
- Reviewing and evaluating the programme of CEIAG.
- Using the [Gatsby Benchmarks](#) to improve the college's careers provision and ensure compliance with legal duties, with an ultimate aim to meet all benchmarks.
- Publishing details of the college's careers programme and a policy statement on provider access on its website.
- Ensuring that pupils with SEND understand their different career pathways, and enabling them to gain the skills, knowledge and experience they require to achieve their career goals.

The careers adviser is responsible for:

- Reporting regularly to the careers leader, regarding pupil progress and the effectiveness of the college's career plan.

- Providing a thorough, personalised career service throughout the college.
- Staying up-to-date with relevant CPD and developments in the CEIAG sector.
- Producing careers information and guidance through online and hard copy literature, and visual displays in college.
- Organising workshops for pupils and actively promoting the careers service in-house at open evenings, presentation days, assemblies and parents' evenings.
- Developing incentives and initiatives which actively encourage pupils to sign up to the college's career service.
- Attending regular meetings with the careers leader to discuss the college's career plan.
- Providing an open-door service for pupils once a week to drop in and discuss their options.
- Arranging meetings and follow-up appointments with pupils who are interested in the careers service.
- Offering services to past pupils for up to a year after their departure from compulsory education.
- Coordinating with the Wellbeing Lead for LAC and previously LAC to work with the relevant virtual college head (VSH) to ensure a joined-up approach to identifying and supporting career ambitions is achieved.

Teaching staff are responsible for:

- Ensuring careers education is planned into their lessons.
- Attending any relevant CPD or training to ensure they are up-to-date with the college's careers plan.
- Promoting careers guidance in the classroom through visual aids.
- Being good role models for their particular area of work or specialism.
- Creating a learning environment that allows and encourages pupils to tackle real life challenges, manage risks and develop skills that can be applied to the workplace.

3. Developing a stable careers programme

The college will have its own careers programme in place which meets the requirements of the eight Gatsby Benchmarks:

- A stable careers programme
- Learning from career and labour market information
- Addressing the needs of each pupil
- Linking curriculum learning to careers
- Encounters with employers and employees
- Experiences of workplaces
- Encounters with further and higher education
- Personal guidance

The programme will be reviewed termly against the benchmarks to ensure it remains on target.

The college will demonstrate how it is working towards each Gatsby Benchmark, as part of its careers summary, including the aims, objectives and activities provided for each year group.

Regular feedback from pupils, parents, teachers, and employers will be invited. Feedback will be used to contribute to the development of the college's careers programme to ensure it meets the needs of all pupils.

A careers leader/advisor will be appointed to ensure the leadership and coordination of a high-quality careers programme. The careers leader will be recruited alongside the suggested requirements to ensure the role is correctly fulfilled. The careers leader/advisor is Akilah Balogun.

The appointed careers leader will possess the following skills:

- Leadership – they will be a good leader who takes responsibility for developing, running and reporting on the college careers programme
- Management – they will be able to plan careers activities, manage the careers budget, and manage other staff involved in the delivery of careers guidance where necessary
- Coordination – they will be a careful coordinator of staff from across the college or college and from outside
- Networking – they will be a good networker who can establish and develop links with employers, education and training providers and careers organisations.

The Head of College will work with enterprise coordinators to build careers and employer engagement plans to broaden the range of guidance that pupils have access to.

The college will work towards the [Quality in Careers Standard](#) to support the development of its careers programme, ensuring the programme is reviewed termly to ensure it is in line with the required standards.

4. Using labour market information

The college will ensure all requirements to meet 'Benchmark 2: Learning from career and labour market information' as outlined in the DfE's ['Careers guidance and access for education and training providers'](#).

The college will ensure every pupil, and their parents, has access to high-quality information about future study options and labour market opportunities. Pupils and their parents will be referred to an informed advisor to help them make best use of the information available.

The college will ensure pupils and their parents understand the value of finding out about the labour market, and support them in accessing this information. Pupils and their parents will be provided with information on the benefits of understanding the labour market, including the salaries and promotion opportunities for different jobs, and the volume and location of vacancies across different sectors.

The college will ensure that all pupils, by the age of 14, have accessed and used information about career paths and the labour market to inform their own decisions on study options. Pupils will be provided with the necessary links and information that will enable them to access this. Access will be monitored to review whether pupils are making the most of the service, and if not, what can be done to ensure they do.

Parents will be encouraged to access and use information about labour markets and future study options to inform their support to their children.

The college will make use of local enterprise partnerships to provide pupils with presentations and workshops on the local labour market and employer expectations. The information provided through the partnership will be used to shape career guidance and workshops in colleges.

To support social mobility, the college will work to raise pupils' aspirations and tackle stereotypical assumptions. The college will use labour market information, such as job roles, pay and vacancies, to inform pupils about the trends and opportunities in the music industry. Information about a diverse range of progression pathways will be shared with pupils, including technical routes, to strengthen their capacity to make effective choices.

5. Addressing the needs of pupils

The college will ensure all requirements to meet 'Benchmark 3: Addressing the needs of each pupil' as outlined in the DfE's ['Careers guidance and access for education and training providers'](#).

The college's careers programme will aim to raise the aspirations of all pupils whilst being tailored to individual needs. The programme will inform pupils of the range of opportunities available to them, encouraging them to aim higher and make choices relevant to what they feel they can achieve.

All forms of stereotyping will be prohibited in the careers advice and guidance that is provided, to ensure pupils of all genders, backgrounds and abilities can consider the widest possible range of careers. The college's careers programme will actively seek to challenge stereotypical thinking and raise aspirations.

The college will tailor careers activities and educational goals to the needs of each pupil, taking into account their prior knowledge and skills, the choices they may face, and any additional support they may need to overcome barriers to progression.

Destinations data will be retained by the college for at least three years after a pupil has left college. This data, e.g. the percentage of pupils attending university in the following term, will be published on the college's website alongside the college's careers programme.

Data retained will be collected, stored and managed in line with the Data Protection Policy and Records Management Policy.

The college will collect and analyse destinations data to assess how well the careers programme is countering stereotypes and raising aspirations. The data will be reviewed by the Head of College/Careers Leader on a termly basis who can then base further development of the college's career guidance plan on the results and areas of success or failure.

6. Supporting pupils with SEND

The college will ensure that careers guidance is differentiated, if appropriate, and based on high aspirations and a personalised approach. The SEND local offer will be utilised; annual reviews for a pupil's EHC plan will be informed by good careers guidance.

The careers leader will work closely with the SENCO and other staff to support pupils with understanding different career pathways and how to develop the necessary skills, knowledge, experience and qualifications to succeed and fulfil their potential. The college will work with families of pupils to help them understand what career options are available.

Surveys will be conducted to find out individual pupils' aspirations. The results of the surveys will create careers guidance and experience that will be tailored to pupils needs based on their own aspirations and abilities.

Careers guidance will take account of the full range of relevant education, training and employment opportunities. It will inform pupils about the ways employees with SEND are supported in the workplace. Guidance will focus on a pupil's career aspirations and the post-16 options which are most likely to give the pupil a pathway into employment or HE.

The college will build partnerships with businesses and other employers, employment services, and disability and other voluntary organisations. Pupils will be prepared for encounters with employers and provided with any special support that will allow them to benefit fully from the experience.

Pupils with SEND will have the opportunity to hear from adults with disabilities who have succeeded in their careers as part of the college's successful careers strategy.

When arranging work experience for pupils, the college will work with the employer to determine any additional support that will be needed during the work placement.

7. Linking curriculum learning to careers

The college will ensure all requirements to meet 'Benchmark 4: Linking curriculum learning to careers' as outlined in the DfE's ['Careers guidance and access for education and training providers'](#).

The college will work to encompass careers education and guidance into industry across the curriculum. All teachers will be asked to support the career development of young people in their role and through their teaching. Teachers with industry experience will play a part in building careers guidance into the curriculum.

8. Providing work experience

The college will ensure all requirements to meet 'Benchmark 6: Experiences of workplaces' as outlined in the DfE's ['Careers guidance and access for education and training providers'](#).

The college will ensure that, by the age of 18, or before the end of their programme of study, every pupil has had at least one further first-hand experience of a workplace, additional to any part-time jobs they may have.

Where required and appropriate, virtual experiences of the workplace will be used to complement the in-person experience.

The college will encourage pupils to experience a wide variety of workplaces and support them to plan for, reflect upon, and learning from these experiences.

Work experience will be designed to meet the needs of individual pupils, with particular consideration for pupils with SEND and those from disadvantaged backgrounds. The college will carefully match the placement to each pupil's ability, needs and aspirations. The college will work with the employer to put in place additional support within the work placement for pupils with additional needs, where required, and help prepare the pupil for the work

Experiences of the workplace by the time the student is aged 18 will include the following:

- Internships and holiday placements
- Work experience that takes place during term time
- Longer work placements

9. Enabling encounters with higher education (HE)

The college will ensure all requirements to meet 'Benchmark 7: Encounters with further and higher education' as outlined in the DfE's '[Careers guidance and access for education and training providers](#)'.

The college will ensure all pupils understand the requirement to remain in education or training until their 18th birthday and what this requirement means for them. The college will ensure pupils are aware that this does not mean they need to stay in college, and that they may:

- Study full time in a college, college or with a training provider.
- Undertake an apprenticeship, traineeship, or supported internship.
- Work or volunteer 20 hours or more a week, combined with part-time accredited study.

The college will provide pupils with a range of information and opportunities to learn about the academic and technical pathways for education, training, and career paths throughout their college life, to prevent last minute decision-making. The college will not present HE more favourably compared to apprenticeships or other technical routes.

The college will ensure that, by the age of 18, all students who are considering applying for university have been provided the opportunity for at least two visits to universities. In addition, before the end of their programme of study, all students will have been provided the opportunity to encounter a range of higher and further education and training providers.

Pupils will be encouraged to use information tools, such as websites and apps, which display information about opportunities, such as the National Careers Services' [Find a Course](#). Education and training providers will have access to all pupils in Years 12 to 13 for the purpose of informing them about approved technical education qualifications and apprenticeships.

The college will ensure that there are opportunities for providers to visit the college and speak to pupils in Years 12 to 13 by maintaining connections with providers of FE and apprenticeships, and arranging regular visits, presentations and workshops. A range of opportunities for visits from providers offering other options, such as FE will also be provided.

10. Providing personal guidance

The college will ensure all requirements to meet 'Benchmark 8: Personal guidance' as outlined in the DfE's '[Careers guidance and access for education and training providers](#)'.

Careers advice provided by the college will be unbiased and maintain the best interests of individual pupils at all times. The college **will not** promote particular career or progression routes as better or more favourable than others; however, pupils will be advised, where

evidence supports it, whether a chosen course has the potential to lead to poor career outcomes.

All pupils will be provided with opportunities for personal guidance interviews with a qualified careers adviser. Such interviews will take place by the time the pupil reaches age 16, with the opportunity for a further interview by the age of 18.

Careers advisers will meet the professional standards outlined by the [Career Development Institute](#). The college will integrate personal guidance interviews within the pastoral system so that they can be followed up by the form tutors or equivalent.

Careers advisers working with pupils with SEND will use the outcome and aspirations in the EHC plan to focus discussions, where they have one. Careers advisers working with LAC or care leavers will use their personal education plan to focus discussions. These pupils will have a named adviser who will build a relationship with them to better understand their individual needs.

11. Sharing information

The college will provide the relevant information about all pupils to the LA support services including:

- Basic information, such as the pupil's name or address.
- Other information that the LA requires to support the pupil to participate in education or training to track their progress.

Pupils with SEND will have their data monitored by the LA up until the age of 25.

The college's privacy notice will offer pupils and their parents the opportunity to ask for personal information not to be shared.

LAs will be notified, as early as is possible, whenever a 16- or 17-year-old pupil leaves an education or training programme before completion. The college will agree on local arrangements for ensuring these duties are met.

12. Compliance with legal duties and statutory guidance

Where someone has a complaint about the college's careers provision, such issues will be handled locally in accordance with the college's Complaints Procedures Policy. All complaints will be easy to submit and considered impartially.

Under Section 42B of the Education Act 1997 and the Skills and Post-16 Education Act 2022, the college has a duty to provide pupils in Years 12 to 13 with access to providers of post-16 and post-18 education and training. This will provide pupils with additional information about approved technical qualifications and apprenticeships, enabling them to build a picture of the kind of training that may suit them best, ultimately reducing the risk of them dropping out of courses.

All pupils in Years 12 to 13 will receive at least six encounters with accredited providers of technical education and apprenticeships. These encounters will be divided accordingly:

- In Year 12 or between 1 September and 28 February during Year 13, there will be two sessions held by accredited providers – these will be optional for pupils to attend

The college will be clear on the following:

- Who is to be given access to pupils
- Which pupils access will be given to
- How this will happen and when

The college will ensure that providers provide the following information to pupils and parents:

- Information about the provider and the technical qualifications and apprenticeships that they offer
- Information about the potential careers to which those technical qualifications or apprenticeships might lead
- What learning and training with them is like
- Any answers to questions that pupils and parents may have

The college will ensure that provider visits are available to all pupils in the relevant year group and will not do anything which may limit the ability of pupils to attend. The college will not, under any circumstance, restrict invitations to selected groups of pupils or hold events outside of normal college hours.

The college will prepare a policy statement which sets out the circumstances in which education and training providers will be given access to students. This policy statement will be published on the college website and will include:

- Details on how the college will meet the legal requirement to provide six encounters with providers between Year 12 and 13.
- Any procedural requirements in relation to requests for access, e.g. the main point of contact at the college to whom requests should be directed.
- Grounds for granting and refusing requests for access, e.g. details of timetabled careers lessons, assemblies or careers events which providers may attend.
- Details of premises or facilities to be provided to a person who is given access, e.g. rooms and resources.
- How the college will work with each visiting provider.
- A list of providers who have previously visited the college.
- Destinations of previous pupils.
- Details about live online encounters with providers.
- Information on how a provider can raise a complaint and the procedure to go through.

13. Monitoring and review

The Board of Directors, in conjunction with the Head of College and careers leader, will review this policy on an annual basis, taking into account the success of supporting pupils in accessing post-16 education and training. The Head of College will make any necessary changes to this policy, and will communicate these to all members of staff.

The next review date for this policy is 31 August 2024.

Careers Survey – Plans for Your Future

This survey is intended to help you begin thinking about your career path when you leave college. Each year, this survey information will be updated to reflect your changing perspective on your aspirations as you get closer to leaving college. This information will also serve as a guide to your teachers in deciding which classes and educational experiences you should have to help you be successful in the kind of life you want to have after secondary college.

Name:		Date of birth:	
Year group:		Date:	

Careers

<input type="checkbox"/> University	
Which university?	
What would you like to study?	
What support and qualifications, if any, do you think you need to begin your chosen programme of study?	

<input type="checkbox"/> Apprenticeship	
Which sector?	
What support and qualifications, if any, do you think you need to begin your chosen apprenticeship?	

<input type="checkbox"/> Military	
Which branch?	
What support and qualifications, if any, do you think you need to begin your chosen military course?	

Hobbies

What do you enjoy doing in your spare time?

Do you wish to pursue a career in relation to any of these hobbies? If yes, please indicate below.

How could the college help you to develop your hobbies?

Have you arranged work experience for <u>date</u> to <u>date</u>? (Please circle)	Yes/No
If 'yes', where will you be working?	
If 'no', how can the college help you to arrange work experience?	

Destinations Survey – Plans for Your Future

This survey is intended to gain an insight into the career paths of pupils who have completed their time of study at Soundskool. This survey will also support our college in providing evidence for how our current careers programme has impacted on past pupils. Please fill in the questions below and return the survey back to the college.

Name		Date of birth	
Year group		Date	
Address			

1: Study	
Are you applying for a place at a university or college? (Please circle – If 'no', please go to section 2)	Yes/No
Have you been offered a place at a university or college? (Please circle)	Yes/No
How many offers have you received?	
Are the offers you have received conditional or unconditional?	1. 2. 3. 4. 5.
If the offer is conditional, are you confident that you will achieve the grades necessary for the course? (Please circle)	Yes/No
Will you accept an offer? (Please circle)	Yes/No
If you answered 'no' to question F, why will you not be accepting an offer?	
What university or college would you like to be studying at?	
What is the title of the course you will be studying?	

Is the course full time?	Yes/No
What career path do you wish to pursue with your chosen programme of study?	

2: Employment	
Are there any job roles you wish to pursue? (Please circle)	Yes/No
If you answered 'yes' to question A, please give details of your desired job role.	
Have you secured a job role? (Please circle – if 'no', please don't answer question D, E or F)	Yes/No
What is the job title?	
What is your role?	
Is this job role what you aspired to achieve during your time at our college? (Please circle)	Yes/No
